

## Specialty Contractors and Renovators Scheme (SCARs)

### Premium Protection for your Business

From fixing a leaking tap to renovating the dream homes of aspiring homeowners, the challenges and risks of running a renovation contractor business are unique.

SCARs (Specialty Contractors and Renovators Scheme) is a tailor-made and comprehensive Work Injury Compensation and Public Liability cover that caters specifically to the renovations contracting industry.

### SCARs Product Profile

SCARs aims to provide comprehensive Work Injury Compensation (WICA) and Public Liability (PL) coverage to general renovation / specialty contractors. The WICA policy ensures that employees who are injured at work and their loved ones receive speedy and fair compensation in terms of income and medical benefits. The PL policy manages the business's third-party legal liability exposure in the course of their operations.

At AIG, we go above and beyond to provide advanced solutions for our clients. The premium coverage that we are providing is highlighted as follows:

#### Work Injury Compensation

Protects you from any liability under Work Injury Compensation Act WICA 2019 or common law to compensate your employees for bodily injury and death.

#### Public Liability

Protects you against legal liability to third parties for bodily injury or property damage.

#### Referrals

- Contractors that do not fall within classification
- Declared annual wages of more than S\$400,000
- Declared annual turnover of more than S\$2,000,000
