Bridges	●
Subways, Metros, Underground Rail	●
Overground Rail	●
Airports	●
Transmission and Distribution Lines	●
Tunnels	●
Pipelines	●
Roads	●
Dams	●
Other	
Standalone CPE	●
Mid-term projects	●

These are the boundaries of our appetite:

Out of Scope

- Offshore Wind
- Offshore Risks including sub-sea pipelines and cables
- Solar Power (CSP/PV)
- Coal Fired Power Stations, Thermal Coal Mines and Oil Sands

Preferred Minimum Project Size of USD 100m and above

Subject to AIG's Environmental, Social and Governance (ESG) commitment

Claims help when it matters most

In the event of a major claim, AIG will confirm coverage under the policy as quickly as reasonably possible. Once coverage is confirmed, we promise to provide our clients with immediate working funds of up to 50% of our share of the agreed estimate within 7 days for property damage/repairs, clean-up costs and/or extra expense/increased cost of working.

AIG Construction Differentiators

Market Leading Experience

Our global technical underwriting, claims and risk engineering expertise demonstrates our continued willingness and capability to find innovative solutions and support clients' safety measures.

Capacity

Well-engineered risks can unlock AIG's significant Construction capacity to meet clients' unique coverage needs.

Engineering Back-Up

Experienced risk engineering across a wide range of occupancies to support underwriting and client risk management allows us to consider the risks which others may be reluctant to take on.

Multinational Excellence

Worldwide coverage (subject to sanctions and restrictions) may be provided by our Multinational Centre of Excellence for all captive or fronting needs, local policy issuance or innovative risk transfer solutions.

Captive Fronting Solutions

We can offer captive fronting solutions and wrap-around captive programmes; we support clients in building a long-term, sustainable risk management framework.

* Risk capacity: guide only - every case written on its merits and subject to policy terms, conditions and exclusions.

American International Group, Inc. (AIG) is a leading global insurance organization. AIG member companies provide a wide range of property casualty insurance, life insurance, retirement solutions and other financial services to customers in approximately 70 countries and jurisdictions. These diverse offerings include products and services that help businesses and individuals protect their assets, manage risks and provide for retirement security. AIG common stock is listed on the New York Stock Exchange. Additional information about AIG can be found at www.aig.com | YouTube: www.youtube.com/aig | Twitter: [@AIGinsurance](https://twitter.com/AIGinsurance) | LinkedIn: www.linkedin.com/company/aig. These references with additional information about AIG have been provided as a convenience, and the information contained on such websites is not incorporated by reference herein. AIG is the marketing name for the worldwide property-casualty, life and retirement and general insurance operations of American International Group, Inc. For additional information, please visit our website at www.aig.com. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds. American International Group UK Limited is registered in England: company number 10737370. Registered address: The AIG Building, 58 Fenchurch Street, London EC3M 4AB. American International Group UK Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority (FRN number 781109). This information can be checked by visiting the FS Register (www.fca.org.uk/register).
