

Risk Appetite – Singapore

Construction

At AIG, we believe transparency is key to any successful partnership. Our clearly defined risk appetite allows brokers to focus on what matters most – securing the right cover to protect clients.

With our diverse portfolio and broad risk appetite, AIG supports clients in a wide variety of industries with our suite of Construction risk solutions. The following guide provides an overview of our appetite in Singapore across industry types.

Strong Appetite

Target growth sector or occupation (lead/follow)

Reduced Appetite

Additional information may be required (lead/follow)

Minimal Appetite

May occasionally consider these on a limited basis (follow only)

Decline

No appetite for coverage
