

Risk Appetite – Singapore

Marine

At AIG, we believe transparency is key to any successful partnership. Our clearly defined risk appetite allows brokers to focus on what matters most – securing the right cover to protect clients.

With our diverse portfolio and broad risk appetite, AIG supports clients in a wide variety of industries with our suite of Marine risk solutions. The following guide provides an overview of our appetite in Singapore across industry types.

Strong Appetite

Target growth sector
or occupation

Reduced Appetite

Additional information
may be required

Minimal Appetite

May occasionally consider
these on a limited basis

Decline

No appetite
for coverage
